Completion of the 2010 Clinical Specific Topics quiz meets the requirements for UWMC clinical staff annual education. Please provide the completed quiz to your supervisor. Your supervisor will retain the quiz as documentation of completion.

**PLEASE NOTE:** If you attend New Employee Orientation or Foundations anytime in 2010, you have already met the annual compliance requirement and do not need to take this quiz until 2011.

**DIRECTIONS:** Print this quiz. Circle or fill in the correct answer or answers below.

### SECTION QUESTIONS

**Abuse, Neglect and Exploitation**

1. **True** or **False.** Forms of abuse, neglect and exploitation of children and vulnerable adults include physical, emotional, sexual and financial abuse?

2. **True** or **False.** Reporting suspected or actual cases of abuse, neglect or exploitation is mandated by law.

**Advanced Directives**

3. **True** or **False**: Every patient who is admitted to the hospital must be asked if they have an advance directive.

4. Durable Power of Attorney (DPOA) for health care is:
   - A. A document that indicates who can make a decision for a person if s/he were to become incapacitated.
   - B. A document that indicates an individual’s wishes for life sustaining treatment.
   - C. A document that indicates a patient’s choice of attorney, should s/he need one.
   - D. All of the above.

**Blood Transfusions: Managing Suspected Reactions**

5. Which of the following may be symptoms associated with a potential transfusion reaction?
   - A. Fever
   - B. Hives
   - C. Wheezing
   - D. Anxiety
   - E. All of the Above

6. Primary interventions include which of the following?
   - A. Stop the transfusion
   - B. Maintain IV access
   - C. Assess vital signs
   - D. Perform a clerical check
7. **True or False.** Transfusion reactions can occur anytime during transfusion or up to several hours after completion.

<tr>
<th>Organ, Eye, &amp; Tissue Donation</th>
</tr>
</thead>
<tbody>
<tr>
<td>10. <strong>A call to the Donor Referral Line is placed:</strong></td>
</tr>
<tr>
<td>A. In the event of death, only when requested by patient and/or family.</td>
</tr>
<tr>
<td>B. When ordered by the attending physician.</td>
</tr>
<tr>
<td>C. For all deaths (within one hour of cardiac death) and imminent deaths</td>
</tr>
<tr>
<td>11. <strong>True or False:</strong> UWMC staff can approach families regarding organ/tissue/eye donation without a Donation Coordinator.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Pain Management</th>
</tr>
</thead>
<tbody>
<tr>
<td>12. Mr. J is a 76 year old with Alzheimer’s disease, diabetes and cardiovascular disease. He has an area of redness and warmth around his left ankle. His behaviors include: restlessness and striking out when transferring to cart or exam table; and when you approach him to provide care, he refuses to move.</td>
</tr>
</tbody>
</table>

Use the case above to answer the question below:

The care provider responsibilities include:

A. Pain assessment using methods consistent with the patient’s age, condition, and ability to understand.
B. Pain treatment or a referral for treatment based on clinical presentation and symptoms.
C. Pain reassessment following treatment and additional treatment if needed.
D. Documentation of pain assessment and reassessment in the clinical record.
E. All of the above.

<table>
<thead>
<tr>
<th>Safe Patient Handling</th>
</tr>
</thead>
<tbody>
<tr>
<td>13. <strong>True or False:</strong> If the patient does not have a pulse, it is OK to lift the patient off of the floor to move back to the bed.</td>
</tr>
<tr>
<td>14. <strong>True or False:</strong> To access the Hover Jack, I can call the lift team or I can have a staff member (who is trained to use it) go pick it up from the 3rd floor Information Desk.</td>
</tr>
</tbody>
</table>
15. Options for lifting a patient off of the floor include which of the following:
   A. Ceiling lift
   B. Maxi-Slide sheet
   C. Hover Jack
   D. large top sheet
   E. A, B, & C
   F. A & C

An answer key is available for you to check your answers. If you have questions about any of the information presented, please follow up with your supervisor.

Please return the completed quiz to your **SUPERVISOR**. Your supervisor will retain the quiz as documentation of completion.
